

Recycling Committee Minutes
Tuesday, April 20, 2021, at 5pm via zoom

All Members Present

1. Gary is recording a "Talking Trash" webinar for broadcast at a later date.
2. Transfer station, swap shop and composting update.
3. Minutes of previous meeting were approved.
4. Live April 26 on channel 18 a presentation with Kari Parcell on recycling and sustainability. Will run throughout May.
5. "Constant contact" still a couple of weeks away.
6. The brochure for visitors is "dead in the water" as is a suggested brochure on MA recycling law - uses paper.
7. Working to create a coalition with Outer Cape recycling committees.
8. There was a discussion on how to work more closely with the Board of Health. Rick will investigate.
9. No new reporting from subcommittee.
10. Discussed a need to plan/prepare an event for next year's Earth Day.
11. National Recycling Day is Nov. 15 (Global Recycling Day was March 18). Need a subcommittee for ideas.
12. This committee will also work with the Eastham Chamber of Commerce together on an event.
13. This committee can also work with the 400 Committee.
14. Alicia raised the subject of possibly getting 40 residences to work with Black Earth composting.
15. The next meeting is scheduled for May 18, at 5pm.
16. Meeting adjourned at 6:15pm.

RESPECTFULLY SUBMITTED

AMY HACKWORTH
CLERK
